

UNITED STATES DEPARTMENT OF AGRICULTURE

Farm Service Agency
Washington, DC 20250

Notice PS-601

For: State and County Offices

eLDP Software Enhancement to Comply With the Web Application Style Guide and CCC-633 EZ

Approved by: Deputy Administrator, Farm Programs

1 Overview

A Background

In June 2006, CCC-633 EZ replaced CCC-633 and CCC-709. CCC-633-EZ allows for a “date of delivery” to be used for commodities that are delivered with beneficial interest retained. Because the eLDP software does **not** specifically recognize LDP’s “date of delivery” option as provided on CCC-633 EZ, County Offices currently process using the “field direct” option in eLDP software.

On October 23, 2006, FSA’s Interactive Web Application Style Guide was implemented by FSA as the blueprint for designing web applications.

eLDP screens that did **not** comply with FSA’s Interactive Web Application Style Guide and CCC-633 EZ have been modified to conform with both.

B Purpose

This notice informs State and County Offices that the eLDP software has been modified to comply with:

- FSA’s Interactive Web Application Style Guide
- CCC-633 EZ.

C Contact

For questions or situations **not** addressed in this notice, State Offices shall contact Laura Schlote, PSD, by either of the following:

- e-mail at laura.schlote@wdc.usda.gov
- telephone at 202-720-7785.

Disposal Date	Distribution
December 1, 2007	State Offices; State Offices relay to County Offices

2 Software Modifications

A FSA's Interactive Web Application Style Guide

eLDP software has been modified to comply with FSA's Interactive Web Application Style Guide.

Enhancements include:

- an alpha numeric screen ID numbers, found in the lower-left corner
- a direct link to FSA's Home Page, accessed when users CLICK "Farm Service Agency" in the upper-left corner
- exiting eLDP using the "Exit eLDP" link, enabling users to access other web-based applications without having to be re-eAuthenticated.

The following is an example of the new Welcome to Price Support Home Page.

2 Software Modifications (Continued)

A FSA's Interactive Web Application Style Guide (Continued)

The following is an example of the old Profile Process-Add Producer Screen.

The screenshot shows the 'Profile Process Add Producer' screen. On the left is a blue sidebar with the 'Farm Service Agency Online' logo and a list of links: Accessibility Statement, What's New, Home, Application, Customer Profile (with sub-links: Add Producer, Change Producer, Inquire Producer, Delete Producer, Disable Producer, Enable Producer, Add Joint Operation, Change Joint Operation, Inquire Joint Operation, Delete Joint Operation), Application Reports, Profile Reports, Admin Reports, Administrative, and Sign Off The System. The main content area has a top navigation bar with 'E-Forms', 'Contact Us', 'Search', 'Local Offices', and 'USDA Home'. Below this, it displays 'County FSA Office: FREDERICK', 'State/County Code: MD021', and 'Telephone:'. The form fields include 'Producer Name:', 'Address:', 'City:', 'State: MD', 'Zip: 21788', and 'Email Address:'. A section titled 'Part A - Producer Terms and Conditions (Please check as applicable)' contains a 'Crop Year:' dropdown, a checkbox for 'Spotcheck is required for this producer.', a date field for '633EZ, Page 1, Approval Date:' with Year, Month, and Day dropdowns, and a question 'Is this producer also a member of partnership or joint venture?' with radio buttons for 'Yes' and 'No'. At the bottom are 'Next', 'Cancel', and 'Help' buttons.

The following is an example of the new Profile Process-Add Producer Screen.

The screenshot shows the updated 'Add Profile Terms and Conditions' screen. The top header includes the 'USDA United States Department of Agriculture' logo, 'Farm Service Agency' text, and 'eLDP LOAN DEFICIENCY PAYMENTS' logo. A banner of agricultural images is below the header. A navigation bar contains links: eLDP Home, About FSA, eLDP Help, Contact Us, Exit eLDP, and Logout of eAuth. The left sidebar is light blue and shows a 'Customer Profile' section with 'Welcome Susan Keenan' and 'Role: County'. It lists the same menu items as the old screen, with 'Add Producer' highlighted. The main content area shows 'Customer Profile->Add Producer->Add Profile Terms and Conditions' and 'Add Profile Terms and Conditions'. It displays 'County FSA Office: JASPER', 'State/County Code: IA099', and 'Telephone: (641)792-5019'. The form fields include 'Producer Name:', 'Address:', 'City:', 'Tax ID:', 'State: IA', 'Zip: 50153', 'Email Address:', and 'Tax ID Type: S'. The 'Part A - Producer Terms and Conditions (Please check as applicable)' section is identical to the old screen, including the 'Crop Year:' dropdown, the 'Spotcheck' checkbox, the 'Approval Date' field, and the partnership question. At the bottom are 'Continue', 'Cancel', and 'Help' buttons. The screen ID 'eLDPFADD01' is visible at the bottom left.

2 Software Modifications (Continued)

B eLDP Application Screen

When CCC-633 EZ was implemented, software was updated to delete all references to CCC-633 and CCC-709; however, references to “field direct” and “load summary” still remained on the applicable screen.

eLDP software, to be used a applicable, has been enhanced to change all references from:

- “field direct” to “sold/delivered/fed”
- “load summary” to “open storage”.

The following is an example of the old Application Process Screen.

The following is an example of the new Application Process Screen
